REPORT OF THE RECREATION COMMITTEE

The Seabrook Recreation Committee wishes to state its report to the Town of Seabrook at this time.

The Committee met five times during the year at the home of Mrs. Raymond Angers. At the first meeting, May 18, Reverend Lawson Mayo was voted Chairman and Mrs. Beth Angers was voted Secretary. Mr. and Mrs. Lloyd Burghart were hired to be playground supervisors for the summer program.

Because of the school construction, the playground was not able to be held at the school this year. It created a problem, but several places were utilized in various sections of the town so that more children would find it

accessible. This theory was un-successful and the attendance was low. The schedule for the summer was as follows:

Monday - North End (Governor Weare Park)
Tuesday - American Legion (Boyd School)
Wednesday - Seabrook Beach
Thursday - American Legion (Boyd School)
Friday - South End (South School)

The committee has concluded that the school grounds and facilities lead to a more harmonious program.

The camping program was highly successful and family participation increased over the previous years.

Mr. and Mrs. Burghart have resigned as supervisors, so the positions are open for the coming summer.

The Committee wishes to thank Mr. and Mrs. Ray Lelime for donating a ping-pong table to the Recreation Department. The Committee also wishes to thank everyone and every organization who helped to alleviate the problem of a meeting place for the summer's activities.

Respectfully submitted,
Beth Augers, Secretary

SELECTMEN'S SPECIAL REPORT FOR 1964

The Board of Selectmen is again pleased to submit the following report of what it feels has been a most successful year in many ways for the Town of Seabrook.

Many important events occurred in 1964 that have been beneficial to the Town and more are in the planning stage which, we hope, will make 1965 an even better year for Seabrook. A third, new, major industry chose to establish itself in our Town in 1964 and we, as your Selectmen, have been working out an arrangement whereby at least two more industries will be able to locate here and, at the same time, the Town will acquire more than six acres of desirable and much needed new "cemetery land". There are two articles in the Town Warrant to be acted upon to make this combination of arrangements possible and your Board of Selectmen sincerely hopes that the Town Meeting will approve these articles.

The 1965 Town Warrant contains many important articles to be acted upon by you, the Taxpayer and Voter. Your Board of Selectmen has submitted many of these articles for your consideration - principal of which are the articles to enlarge our municipal water system and it is of the utmost importance that all who can possibly attend the Town Meeting, do so.

We continued to practice frugality in the use of the Town's money and by controlling unnecessary expenditures we were successful in keeping the tax rate from increasing. Due to the aforementioned frugality and controlled spending and the unanticipated increase in several items of our Estimated Sources of Revenue for 1964 we had, at the end of the fiscal year, an all-time record budget surplus of $37,116.53 - a portion of which may be applied to the 1965 tax rate, thereby keeping any increase at a minimum.

This year of 1964 has been a very busy time for your Board of Selectmen with many meetings and negotiations with industrial representatives, Selectmen of other Towns and requests that certain legislation be enacted in the New Hampshire General Court. One bill we have particularly requested to be introduced is to insure, by legislative enactment, the future of our Municipal Court.

We have had a series of meetings with the Hampton Board of Selectmen to institute certain negotiations whereby steps may be taken to return to Seabrook that portion of Seabrook Beach which was taken from us by court action in the early 1950's.

All in all, it has been a pleasure to serve you, the Townspeople, and to help, with your co-operation, to make our Town the most rapidly developing municipality in the State of New Hampshire and a better, more prosperous community in which to live.

We respectfully submit this report with our heartfelt thanks and appreciation of your patience, co-operation and understanding of the difficulties we sometimes encounter in conducting your, and our, Town's business.

Clyde O. Brown, Chairman
James S. Eaton
James C. Falconer

		$70,734.13

As indicated by the budget summary (Exhibit A-4), a revenue surplus of $30,293.62, plus a net unexpended balance of appropriations of $6,822.90, resulted in a net budget surplus of $37,116.52.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1964, made up in accordance with the uniform classification of accounts is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1964, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of outstanding long term indebtedness as of December 31, 1964, showing annual debt service requirements, is contained in Exhibit G.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made up from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

The current surplus (excess of total assets over current liabilities) increased by $19,008.13, from $44,506.00 to $63,514.13, in 1964, as shown herewith:

	December 31, 1963	December 31, 1964
Total Assets	$189,240.46	$194,355.39
Current Liabilities	144,734.46	130,841.26
Current Surplus	$ 44,506.00	$ 63,514.13

Uncollected Poll and Head Taxes - Prior Years' Levies:

It is again noted that there are a few uncollected poll and head taxes on the warrants of 1961 and prior years as follows:

	Poll Taxes	Head Taxes
Levy of 1961	$ 60.00	$ 35.00
Levy of 1960	20.00	15.00
Levy of 1959	16.00	65.00
Levy of 1958	8.00	50.00
Levy of 1957	14.00	55.00
Levy of 1956 and Prior Years	36.00	260.00
	$154.00	$480.00

Inasmuch as most of these taxes are apparently uncollectible, it is recommended that the Board of Selectmen authorize their removal from the warrants by abatement procedure. There is also an uncollected yield tax on the 1956 tax warrant which should be abated.

Surety Bonds:

The surety bonds of the Town Clerk and Town Treasurer should be increased in amount as follows:

Town Clerk - increase from $4,000.00 to $5,000.00

Town Treasurer - increase from $20,000.00 to $25,000.00

Conclusion:

In accordance with the provisions of Chapter 184 of the Laws of 1955, this report or the summary of findings and recommendations (letter of transmittal) should be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Seabrook for their assistance during the course of the audit.

Yours very truly,
